

EX - WORKS

HOW WE CAN HELP YOU

Your company's production or receipt of goods depends on your company receiving the ingredients in a timely manner from your suppliers. Axis Global can help you make this happen!

OUR SOLUTION

Axis Global has a dedicated, experienced team that handles all types of ocean freight with all types of container specifications. You can choose from various options, including LCL and FCL shipments, heavy loads, and specialty shipments with temperature-controlled containers. Axis offers Ex-Works pick-up and door-to-door delivery at destination to provide you with the simplified process of obtaining your ingredients as needed. Our dedicated business partners around the world help us make this service available to you.
